### Psychiatrists In-Practice Examination (PIPE)

Please complete and return this evaluation to help The American College of Psychiatrists continue to develop and improve PIPE.

	Strongly Disagree			4	Strongly Agree	
	1	2	3		5	NA
PIPE fulfilled its stated objectives	1	2	3	4	5	NA
The examination questions were clear and unambiguous	1	2	3	4	5	NA
The overall level of difficulty of PIPE was appropriate for practicing psychiatrists	1	2	3	4	5	NA
PIPE was relevant to my practice	1	2	3	4	5	NA
PIPE will help me deliver better patient care	1	2	3	4	5	NA
I would recommend PIPE to a colleague	1	2	3	4	5	NA

As a result of taking this examination, I plan to modify my treatment approaches as follows:

- \_\_\_\_\_
- \_\_\_\_\_

#### How did you first learn about PIPE?

- |  |                                       |
|--|---------------------------------------|
| The American College of Psychiatrists Web site | Mailing                               |
| The American Psychiatric Association Web site  | Advertisement in professional journal |
| The ABPN Web site                              | Colleague                             |

Other: \_\_\_\_\_

#### Reason for taking PIPE (check all that apply):

- |                                    |                                      |     |
|------------------------------------|--------------------------------------|-----|
| ABPN Self Assessment               | Preparation for recertification exam | CME |
| Preparation for initial Board exam | General review/refresher             |     |
