

PIPE®

Psychiatrists In-Practice Examination®

Before You Recertify, Refresh!

Created for practicing psychiatrists, PIPE is a comprehensive online exam that allows clinicians to assess their knowledge and skills throughout their careers. PIPE is designed to:

- **Prepare psychiatrists for ABPN certification and maintenance of certification (MOC)**
- **Fulfill ABPN's "self-assessment and lifelong learning" MOC requirement**
- **Provide up to 30 hours of Category 1 CME credit**

For additional details and pricing information, or to purchase PIPE, contact The American College of Psychiatrists at 312.662.1020, or visit The College online at www.ACPsych.org.

The American College of Psychiatrists is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Psychiatrists designates this educational activity for a maximum of 30 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
