1. Nomination Form - Nominator must be the Program Director. NOTE: Candidates may be nominated for either the PRITE or Laughlin Fellowship, but not both in the same year.

**IMPORTANT:**

Regarding the **CHILD PRITE Fellowship**:

- Due to the timing of the nomination deadline, often Child Fellowship Directors haven't had a chance to get to know the new Fellows yet. In order to help provide an opportunity for more child fellow applicants to take part in the Fellowship, The College and the PRITE Fellowship Selection Committee would like to encourage "outgoing" Adult Program Directors to write a joint letter with the new Child Psychiatry Fellowship Program Director.
- Alternatively, the current Adult Psychiatry Program Director can unilaterally nominate a current PGY 3 resident (scheduled to begin their Child Fellowship in the coming months) for the CHILD PRITE Fellowship. We will just require a "sign off" as part of the application process from the Child Program Director. \*Please include a brief statement of support from the new Child Fellowship Director as part of your application submittal.

2. Nomination letter from the Training Director indicating:

- a. Reasons why this fellowship would be a good fit for the candidate career goals.
- b. Reasons why the candidate would be a good fit for the PRITE Editorial Board.  
NOTE: The focus should be on reasons/accomplishments since residency.
- c. **The American College of Psychiatrists is committed to diversity, respectful inclusion, and equity. With this in mind, please explain (if known) how the candidate would promote these values and add to the richness of the experience.**
- d. Please address how this activity will be made a part of the expected residency activities/standard workday so that the candidate is supported timewise and through mentoring.
- e. Please answer/elaborate on the following items related to the candidate:
  1. Ability to work in teams
  2. Open-mindedness
  3. Academic/ scholarly activity track record
  4. Lifelong learner (in practice and mindset)
  5. Believes in continuous improvement

3. Letter from the candidate outlining his/her current interests in psychiatry. Please address:

- a. Significant personal accomplishments related to teaching and/or writing. (ex. organizing a study course or specific activities related to PRITE or other examinations or curricula. NOTE: The focus should be on reasons/accomplishments since residency.
- b. **The American College of Psychiatrists is committed to diversity, respectful inclusion, and equity. With this in mind, the candidate should explain how they would promote these values and add to the richness of the experience.**

- e. Please include a sign off from the candidate stating that they wrote their own questions and did not receive assistance from others.

4. Nominee's curriculum vitae
