The American College of Psychiatrists

FALL 2024

From the President

Dear Colleagues:

Tropical warmth. Gentle breezes. Majestic mountains. Emerald green valleys. Postcard-perfect sunsets. How can you not fall in love with Kauaʻi? Happily, the wait is over: after a twelve-year hiatus, The College returns to the Garden Isle for its 2025 Annual Meeting this February.

Kauaʻi is Hawaii's fourth largest and oldest island, and while mesmerizing to behold, the island offers more than just stunning beauty. For the adventure-minded, Kauaʻi boasts multiple outdoor activities including kayaking on the Wailua River, snorkeling on Poʻipū Beach, hiking the trails of Kōkeʻe State Park, ziplining above Kauaʻi's scenic valleys, or exploring the beautiful Nā Pali Coast by boat or helicopter. History buffs can learn more about Kauaʻi's storied past by following the Koloa heritage trail to explore the island's plantation lineage, or visiting the Waiʻoli Huiʻia Church and Mission House on the island's North Shore to learn about missionary life in Hawaii in the 19th century. The informative Kauaʻi Museum offers an array of exhibits, artifacts and historical murals, bringing the island's past to life.

Just as lovely as its island setting is the Grand Hyatt Kauaʻi Resort & Spa. Set on 52 acres of lushly landscaped grounds, this five-star hotel is a favorite destination for The College. The hotel offers many ways to enjoy the great outdoors. There is a "river" pool that meanders down three stories from the

lobby level of the hotel to the ocean level. And, for the more adventurous, a water slide connects the upper and lower levels of the pool. Beyond the pools there is a large saltwater lagoon with its own beach. For those who prefer the real thing, the hotel features an expansive ocean-front beach—a great place to relax, surf, and swim.

If a day at the spa is more your speed, the hotel's Anara Spa is sure to please. In addition to a full workout room and three-lane lap pool, the spa offers an extensive selection of tropical facials, rejuvenating body scrubs, detoxifying wraps and tension-relieving massages.

However, lovely the setting, the centerpiece of every Annual Meeting is the scientific program. The Scientific Program Committee, chaired by Cathy Crone, has a great meeting planned for Hawaii, which will offer something of interest for everyone: a panel session that will address the ethics of using AI in psychiatry; a plenary on the clinical application of genetics; talks on Instagram

and mental health advocacy, and combating misinformation on TikTok; a debate on telepsychiatry; and much, much more. And I'm happy to report that, the ever popular "Breakfast with the Experts" is not only back but has been expanded to two mornings. There will be 16 roundtables over Thursday and Friday morning, each of which will be hosted by experts in a variety of topic areas. These sessions will enable you to tap into the expertise of seasoned College Members and exchange information and ideas in an informal setting. We'll also be continuing the poster session initiated at last year's meeting.

The Annual Meeting will feature several social events to help you reconnect with old friends and make new acquaintances. On Wednesday evening The College will host a welcome buffet dinner at 6:30 p.m. We've purposely kept Thursday and Friday nights free to allow you to explore the many wonderful dining options in Kaua'i. And we'll cap off Saturday night with our annual banquet.

You'll find a complete Annual Meeting program further on in this newsletter. Hopefully the content will fit your needs; I look forward to your feedback after the meeting.

I wish everyone an enjoyable fall, and hope you'll be able to join us in February in Kaua'i for four days of sun, sand, and science. I look forward to seeing you there!

Sincerely,

George A. Keepers
President

From the Executive Director

As you know, registration for the 2025 Annual Meeting in Kaua'i, is now open. Although we have included a printed registration form in this newsletter, I encourage you to register online at www.acpsych.org. Please be sure to register all of your guests—even those not attending the scientific program—so we can provide an accurate count for social events and bring the proper badges.

George Keepers and I, along with our meeting planner, Cherylyn Marks, have scheduled a final walkthrough of the hotel in December. While there, we'll put the finishing touches on meeting plans and make final decisions about event venues.

In the meantime, here is some useful information about hotels and the locale to help you make the most of your time in Kaua'i:

- Despite our best efforts to anticipate our room block needs, the The Grand Hyatt Kaua'i Resort & Spa is now **sold out** for some of our contracted dates.

Please contact **A Room With A View (ARWAV)** for information about the official designated College overflow hotel(s). **ARWAV** will secure the lowest available rates at the best available hotels within a short distance to The Grand Hyatt Kaua'i. **ARWAV** can be reached at 1-800-780-4343, 1-817-733-8451 (International & Canada) or online at reservations@aroomwithaview.net (always include your arrival & departure dates). This is a FREE service for College Members. Should rooms become available in the College group block at The Grand Hyatt Kaua'i, **ARWAV** will contact you to see if you would prefer to transfer your reservation to the Grand Hyatt Kaua'i.

- Those who booked through The College block will receive a discounted resort fee of \$20 per night (the normal rate is \$55).

The fee covers:

- | | | |
|----------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| - Welcome lei | - Hawaiian cultural center - cultural activities, lei making, ukulele and hula lessons | - Koi fish feeding and parrot talk |
| - Free self-parking | - One hour tennis or pickleball court time daily - Equipment rental available | - Sunscreen & after sun lotion at pool desk |
| - Reusable logo tote bag located in closet | - Recreational bicycle use see valet for availability | - Arrival/Departure Lounge - offering lounge area, showers, computers |
| - Two reusable water bottles per stay | - Self-service laundry washer, dryer and detergent | - Nightly shuttle in local area |
| - Purified water stations | - Nightly entertainment at Seaview Terrace | - Beach chairs and umbrellas for beach use |
| - Access to 24-hour Anara Spa fitness center plus Fitness & Yoga classes (14 yrs & up) | | - For a full list of resort fee benefits, visit the hotel web site . |
| - Guided sunrise walk | | |

The hotel is just 30 minutes from Lihue Airport (LIH). Expect to pay about \$30 for a taxi or Uber/Lyft. If you decide to rent a car, please note the hotel offers complimentary self-parking and \$40 per night for valet. The Hyatt offers several [dining options on site](#). There also are many additional restaurants in close proximity to the resort. The weather in Kaua'i during our meeting should be lovely. The average high temperature in late February is 78 degrees. The average low is 67.

The staff and I wish you an enjoyable fall. We hope to see you in Kaua'i in February.

ABPN Selects College Member Takesha Cooper, M.D., as a Psychiatry Director

The America Board of Psychiatry and Neurology, Inc., has selected College Member Takesha Cooper, M.D., as a Psychiatry Director for an initial four-year term beginning on January 1, 2025. Dr. Cooper previously served on the ABPN Child and Adolescent Psychiatry Examination Committee.

Dr. Cooper currently serves as Department Chair of Psychiatry and Behavioral Sciences at the University of Nevada, Reno School of Medicine and Chief of Behavioral Health at Renown Health, the largest not for profit hospital system in Northern Nevada. Previously, she was a Professor in the Department of Psychiatry and Neurosciences, and Training Director for Psychiatry at the University of California, Riverside School of Medicine.

Dr. Cooper earned her Doctor of Medicine Degree from the Keck School of Medicine at the University of Southern California and completed her residency at San Mateo County and fellowship at Stanford University. Prior to medical school, she obtained a Master of Science degree in Biochemistry and Molecular Biology from UC Riverside and her Bachelor's degree in Biochemistry and Molecular Biology from UC Santa Barbara.

Dr. Cooper became a Member of The College in 2021.

Eligible for Emeritus Status?

If you are over 70 or fully retired, you are eligible for Emeritus status in The College. As an Emeritus Member or Emeritus Fellow, you are no longer obligated to attend one of every three Annual Meetings or pay Active Member dues of \$420 (although we do suggest making a voluntary dues contribution of \$75).

Although Emeritus Members and Fellows may vote on all matters coming before the membership and serve on committees, they are not eligible to hold elective office or serve as a committee chairperson.

If you would like to be considered for Emeritus status, please contact Angel Waszak, angel@acpsych.org.
